PROFILE

Curious and motivated Full-Stack Web Developer with experience in HTML, CSS, JavaScript, React, Next.js, and Node.js. Skilled in both frontend and backend development, I quickly adapt to new tools and frameworks. I enjoy solving problems and creating user-friendly, efficient, and scalable web solutions that deliver real value.

WORK EXPERIENCE

Budget App

<https://budget-app-seven-wine.vercel.app>

Budget App is a user-friendly financial management tool. It helps track expenses, set savings goals, and manage multiple budgets. Designed for clarity and simplicity, it makes budgeting effortless. Built with smart features to give users control over their finances.

Movie Hub

<https://mobie-app.vercel.app>

Movie Hub is a dynamic platform for discovering movies, from blockbusters to hidden gems. Users can watch trailers, explore cast details, and stay updated with trending releases. The interface is fast, intuitive, and personalized for a seamless browsing experience. Built with React, it fetches real-time data through API integration.

Tech Store

<https://shopping-mobile.vercel.app>

An online platform to browse and shop mobiles, laptops, tablets, and watches. Users can explore products by category, compare features, and check prices easily. Add items to the cart and complete secure, hassle-free payments. Optimized for fast loading and smooth navigation across devices. Designed to provide a seamless, user-friendly shopping experience for tech lovers.

Phone Directory

<https://phonedirectory-fugy.vercel.app>

A fast and simple contact management system. Easily add, edit, and delete contacts in seconds. Search and organize contacts efficiently. Perfect for personal use or small teams.

Shopping Cart

<https://shopping-cart-clothing.vercel.app>

Designed and developed a visually stunning and highly interactive online clothing store. Created a seamless shopping experience with dynamic product displays and smooth navigation. Implemented a fully functional shopping cart, enabling effortless selection and checkout. Focused on modern UI/UX design to captivate users and enhance engagement.
